Work Experience

2019
Self Employed
Charlotte, NC

Freelance Web Designer
- Met with clients to analyze their needs, and layout an appropriate plan of action.
- Collaborated with photographers and graphic designers to create new assets for implementation.
- Revised multiple designs with client's approval, while creating a website that accomplished the goals and scope of the overall project.

2015 - 2019
Out of Time
Escape
Matthews, NC

Designer & IT Specialist
- Re-designed the overall brand with a minimalist approach, for a more unique and accessible concept.
- Managed and maintained website, as well as the software neccesary to run the escape rooms.
- Performed all other roles when neccesary, this included: Greeting & briefing customers, operating escape roooms, and building / designing the experiences.

2010 - 2014
Bentonville Public
School System
Bentonville, AR

Technology Intern
- Installed and repaired both software and hardware for 19 different school buildings.
- Managed a staff of 14 tech apprentices and their daily activities.
- Met with teachers and school staff to remedy issues concerning technology.

Certifications

AWS Cloud Certified Practitioner

I was curious about using AWS as a service to build and maintain websites. The process involved researching and understanding all of the important elements involved with AWS. I recieved this certificate in March of 2020.

Education

2016 - 2020
University of
North Carolina

Bachelor of Arts in Computer Science
- Focused Human-Computer Interaction
- Graduated with a 3.4 GPA
